## About me

CAS and AMPS - Production Sound Mixer

I think good tools are important, but i also believe it is the archer and not the arrows that make the the difference.

On time, optimistic, done it before, but most important i enjoy it!  
Lets get in touch

From smal and nimble 2Kg docu setup up to 12 ch wireless in a bag.

Dutch Passport and vaccinations for international travel

I specialize in mobile Production Sound Mixing well prepared for space restrictive locations including - cruise ships, trains, process trucks/trailers, RV's, and airplanes. I am completely self contained with enough battery power for a 15+ hour day.
