KEY PERSONAL ATTRIBUTES

I have been practising and honing my performance, creative and social skills by participating in various music projects, live performances, competitions and school concerts and events. I would say my biggest strengths are being organised, focused, ability to read music, musical versatility, wide vocal range and multitasking; plus understanding the importance of teamwork, alongside confidence. Music Technology, Performance, Production, Instrument playing - basic drums, guitar, bass. I have a vast portfolio consisting of own film music work and music arrangements.
