

# Juan Martinez – Sound engineer

+44 (0) 7531 687 148

[juan@manzed.com](mailto:juan@manzed.com) - [manzed.com](http://manzed.com)

Freelance sound engineer and Distinction-awarded MSc postgraduate with a track record of providing location sound recording and audio postproduction services for over 8 years, specialising in audio for picture, mainly entertainment, documentary, commercial, corporate and online video. Key strengths include, but not limited to, strong understanding of both, technical and creative aspects of recording/editing/mixing audio for moving image and processing it to a broadcast-standard product; dealing with clients and fellow crew members regarding production sound requirements and methodologies; negotiating budgets and implementing production and post-production sound services to achieve the desired product and subsequent client satisfaction. I'm represented by North West/Manchester based diary service "Suz Cruz North" on 0161 635 0075 or <mailto:info@suzcruznorth.co.uk> for availability and bookings.

## Key Skills

- Multi-track recording/mixing
- Boom operating/Multiple-source cueing/Microphone placement
