IMDb [Tony Gibson](#)

 [@northentone](#)

 [Tony Gibson](#)

An experienced and creative sound designer with over 20 years of experience in the film and TV industry. Skilled in using various software and hardware tools to create immersive and realistic sound effects for different genres and platforms. Passionate about delivering high-quality audio solutions that enhance the storytelling and emotional impact of projects.

Very passionate about recording and creating unique and interesting sounds he is never too far away from his trusty field recording kit. He has provided outstanding sound design across incredible Film, TV and Games, including titles such as Pride, SAS Rogue Heroes, Truth Seekers and Total War: Warhammer 3.
